Arlington High School

Home of the Spy Ponders

869 Massachusetts Avenue
Arlington, MA 02476

Dear Spy Ponder Class of 2019,

Congratulations on completing your career at Arlington High School! For four years, you had the opportunity to study art, music, family skills, literature, history, mathematics, science, and more. We came together as a community to play sports, form clubs, put on shows, travel, and more. Our goal was for you to acquire the knowledge, skills, and habits of mind that would prepare you for meaningful and productive lives.

You leave Arlington High School to be adults in an uncertain and challenging world. Social media have connected us more than ever before, and seem to create more division and stress. Technology has made our lives easier, but is making the climate more extreme. We live in a peaceful and wealthy country, but many do not share that wealth or sense of peace.

As you head off to your next stage of life, be it college, career, or gap year, I hope you will remember the words of Douglas Adams, "Don't Panic." It is easy to worry about the future or success, but experience and history show that it is best to focus on the tasks and people you care about. Whether you found high school easy or hard, fun or trying, you made it through. You have persisted and overcome the stresses and trials of life in a large, challenging school community.

I can say with full confidence, that you are ready as individuals and as a group to face the challenges the world presents. Keep those connections and lessons as you go forward and make this world a better place.

Good luck in whatever you choose to do. I hope you will stay in touch!

Go Ponders!
Dr. Janger
